

Declaration of Conformity
European Standards

Equipment: Moisture Transmitter Model IR3000 / CCS3000 / 828 / 868

The above equipment complies with the following European Directives

Electromagnetic Compatibility Directive 89/336/EEC

Ammending Directive 91/263/EEC, 92/31/EEC, 93/68/EEC

Low Voltage Directive 73/23/EEC

Ammending Directive 93/68/EEC

In order to achieve this the instrument has been tested to the following standards:

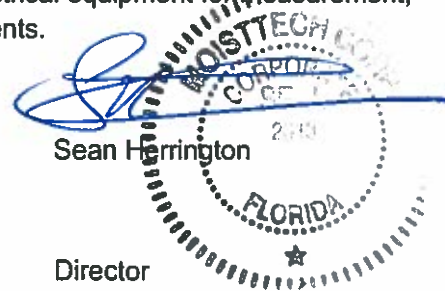

For EMC

EN55022 Class B, EN61000-3-2, EN61000-3-3 Generic Emission Standard for Residential Commercial and Light Industry.

For LVD

EN61010-1 (1993) Safety requirements for electrical equipment for measurement, control and laboratory use – General requirements.
